Youth Camps and Labour Service by Students.

.....

P.U.E.

Letter No.F.5-21/54-D7, dated the 11th May, 1954 from the Government of India, Ministry of Education.

....

The Govt. of India have stated that in the meeting of the Committee for the Organisation of the Labour and Social Service Camp of Students, held on the 6th May, 1954, it was decided that the University students and teachers should be given an opportunity of rendering labour service during the summer vacation and their servic should be utilised for meeting the needs of the country. It was considered that it would be far better if the Universities themselve could select some projects suited to their local conditions of the type of construction of roads and canals, of school building and dispensary, as such projects will tend to bring about a closer relationship between the teachers and the students, and give them a more realistic attitude towards life and their environment. The Government of India have stated that they would be giving financial assistance if the Universities draw up projects for this kind of social and labour service for the coming months of June or July and submit them to the Govt. of India. If, however, it is not possible to execute the works in June or July, the G of I have suggested that this could be done in October next.

The G of I have further stated that in the mean time, the National Cadet Corps who are organising Social Service Camps in different parts of the country have come forward to train about 100 non-N.C.C. students in this work at their camps. The expenditure on the training of these non-~~student~~ N.C.C. students which is expected at Rs. 50/- per head would be met by the Govt. of India. The Govt. of India have asked us to select about 100 students including a few teachers at the rate of 1 teacher for every 25 students from our area and send a list of trainees and teachers to the N.C.C. camp Commandant under advice to the G of I.

Now that the College is closed for Summer vacation, it may not be possible to organise any social and labour service camps in June or July. Moreover rainy season will have set in by that time rendering it impossible to do any field work. We many therefore

ask the Principal, Govt. College where there is already a Social Service League to submit proposals for work to be done in October next. For orders.

~~The~~ As regards the selection of non-NCC students and teachers for training in NCC camps, we may ask the Principal to submit proposals; but it may however be pointed out that the ~~xx~~ NCC camp nearest to Coorg i.e. Chordi Community Project Area in Shimoga District would be over by the 30th May, 1954 and it may not be possible to have our students and teachers selected and trained by then. However, the remarks of the Principal, Govt. College may be invited and the question further examined in the light of his remarks. Endt. submitted on the P.U.C.

WSR 15.5.54.

(from para 1)

JPN 15.5.54.

The Govt. of India's letter was received here only on the 14th inst and the training is scheduled to start from about the 16th inst. for two weeks. There is not much enough to accommodate the 100 trainees. We may ask the Principal to send up a list of as many students as are available to be sent up to Shimoga. In the meantime N.C.C. Area Commander, Shimoga may be telegraphically enquired if we may send our trainees as a whole for about 10 days.

20/5/54

UC! letter No. 396, dated 21st May, 1954 from the Principal, Govt college, Mercara.

I. please see paras 5 and 6 in the pre-page.

the Principal has sent a list of 11 names of students who could be sent up for training in the N.C.C. Work camp. the N.C.C. circle Commander Hebbal has noted to us on 23.5.1954 that Coorg Students may be sent to Kumsi camp. while we have been asked to select 100 students for training, we have secured only 11 and it does not seem to be worth while to deputa such a small number, despite the fact that the Govt of India is meeting the cost of training.

If approved, the Govt of India will be informed that it is not possible to depute any students for training now as all educational institutions are closed for Summer vacation and that Social work will be undertaken in October next as the work can be done in Coorg during June and July on account of the monsoon. In the mean-while, the Principal,

Resubmitted: In views of the latest telegram from the Commander, N.C.C., to circle, Secretary - we may reply that the proposal to send a team of non-N.C.C. students for training at Kursi camp has been dropped for the reasons stated in the telegram. Draft submitted.

Letter No.565, dated the 4th June, 1954 from the Principal, Government College, Mercara to the Convener, Bharat Sevak Samaj, Mercara.

....

Please see the minutes of the M.L & O on the letter of the Convenor, Bharat Sevak Samaj and this office letter No.A.6.3350, dated 31st May, 1954 to the Principal and the S,E.O., Coorg.

The Principal has furnished direct to the Convener, Bharat Sevak Samaj, Mercara, the prpposed social work to be undertaken by the students of the Government College, Mercara during the September vacation.

It may be observed from the letter under reference that the students have proposed to take up the road work in Bhagamandala i.e. connecting the newly constructed Bhagamandala-Karike road with Talacauvery. In this connection the Principal has suggested that ~~the~~ necessary plans of the lay-out of the road may be got prepared by Government and steps taken to acquire the private lands over which the road may have to pass.

This will be a very useful piece of work and if approved, the A. C., Coorg may be asked to send

a report about the lay-out of the proposed raod and about the lands to be acquired. The necessary plans may then be got prepared by the Irrigation Department. For orders.

Endl. No. 2103 dated 13.7.54 from the D.C. Coorg.

25 The puc with reference to para 23 of the notes may kindly be passed. It is seen from the report of the I.O that the lay out and plan of the proposed road Connecting Talacauvery and the newly formed Bhagamandla – Karike road could not be prepared and furnished till the monsoon is over and and may take some time to furnish it, if the Special officers Barapole and I.O are again asked for furnishing. perhaps, this work could be taken up during 1955-56 after obtaining the particulars as on para 23 of the notes by again writing to the above officials and the D.C. for orders.

26 In the Central Budget for 1954-55 a sum of Rs 20 lakhs ~~have~~ been provided to organise for Labour and Social service Camps for Students. Schemes for organising such youth Camps during the vacation is called for by the Ministry of Education in their letter dated 31.5.1954 assuring that the Centre would be prepared to meet the expenses incurred on the following basis:-.

i) Transport – actual bus fare.

ii) Rs 2/- per day per head for boarding and other incidental expenses connected with the Camp.

The following are the educational institutions in this State :-.

1) Govt. College. 1.
2) Govt. High Schools. 5.
3) Aided High Schools. 6.

To. 12

4). Govt. Middle Schools 48.

5) Govt. Primary Schools - 69.

6) Municipal Primary Schools 4.

Total = 133

27 Neither the Principal nor the Education Department has any Concrete proposal already worked out by them so that it may be obtained and sent up to the G. of I. for their consideration to grant financial assistance. perhaps, the D.E. may have some proposals in the jurisdiction of each High, Middle or Primary School and the College, already worked out to be carried out ~~by~~ during 1954-55 and could be ~~obtained~~ available which may be executed by the students of the schools and the College as their programme for organising manual and Social Service Camps under the direction of a few teachers participating to the mutual advantage of the individuals Concerned and the Community. Similarly the Convenor, Bharat Sevak Samaj, Coorg Branch may have some proposals readily available. If approved, the D.E. and the Convenor, Bharat Sevak Samaj requested to furnish proposals, if any, readily available with them to be executed by the students of schools and College, in this style. For orders.

5 references sent to the S.E.O on 16.6.54, 7.7.54, 30.7.54, & 29.10.54 are pending with him to furnish proposals to organise youth camps during next summer for students of High Schools and Middle schools. The Govt. have offered to meet the expenses of food and travel. The Principal has furnished the proposal. It is doubtful whether the S.E.O. may furnish it all. A reply has to go immediately to the Govt. to allot sufficient funds. If approved a memo to all Schools may be sent for orders.

Another reference to furnish the names of teachers who may be trained to organise youth camps at Govt. Cost was also sent on 8-11-54. The Principal has sent his reply furnishing 4 names. To avoid delay. It seems necessary to address all Schools to furnish the proposals by 31-12-54. For orders & subject to approval a memo on the above two proposals put up. This with the gph cyclostyled and Boards sent to the S.E.O for despatch to Schools today.

33

The 24/12/54.

Done 24.12.54.

Done.

(1) In the letter dated 2.9.1954, the Dy. of E. Ministry of Education have called for application for youth camps as follows:-

Boys: 1) Construction of roads, 2) repairing of old buildings, 3) filling of soak pits 4) Clearing of ponds and 5 stagnant pools.

Girls: 1) Sanitation work 2) literacy Campaign 3) Sewing and stiching 4) Construction of parks and kitchen gardens, 5) First Aid and Home nursing.

The Dy. of E. have proposed to Sanction the following expenditure for the camp:-

1) Bus fare (both ways) for transport.

2) Rs 2/- per head per day, for boarding and other incidental expenses connected with the Camp.

(2) 3/ All the 11 High Schools have organised Youth Camps and labour Service by students for 8 days from 1.11.54 and have incurred an expenditure of Rs 10,803/- during the period. The work turned out has been Communicated to the Dy. of E. Ministry of Education, as also the expenditure incurred, ~~has been informed~~ with a request that the amount of Rs 10,803/- may be made available.

3/ In this connection, it is submitted for consideration, whether a Sum of Rs 10,803/- may be, may be Sanctioned for payment out of Savings under "37 Education - D. Five year plan of Education etc" in anticipation of Sanction. In view of the fact that Some of the Headmasters of High Schools are reported to have received registered notices for payment of the dues to

local hotels and shops from where arrangements have been made to supply midday meals etc eg. G.H.S. Uriyyur If the bills of Nov. 1954 are not paid by Headmasters within a reasonable time, dealers will suspect that outstandings due to them have run into bad debts and legal action may be taken. To avoid such unpleasantness of dragging a Headmaster to a Court of law, it seems necessary to accord sanction for the payment of Rs 10.803/- out of State funds and then re-imburse when sanctions of the G.O. are received. This point has been examined in detail in paras 59 to 67 of the note in the file kept below and orders have been passed that the question of payment out of State funds may be taken up after 15-3-55 if reply from the G.O. are not received before that date.

For orders.

Secondly proposals have been received from the Principal, Govt. College, Nellore, 6 High Schools and 11 Govt. Middle schools to organise Summer Camps. These have been examined and if approved, the applications of these schools and the College may be sent to the G.O. of the Ministry of Education for approval. A Consolidated statement of the applications is put up for perusal. 5 High Schools and 38 middle Schools have not sent their proposals so far.

For orders.

31/1/55

7.54

37

The expenditure cannot be met out of the provision under Five Year Plan of Educational Development. This is a grant-in-aid scheme. The Govt of India pays 34 to 50% on the expenditure ~~xxx~~ incurred under this head. If the expenditure now incurred is debited to this head and when the Govt of India reimburses the amount, the Govt of India's contribution ~~x~~ will have to be taken as revenue. It is not regular to claim grant-in-aid in two ways. Therefore the amount may be met out of the provision of Rs.1,000/- made under "37-E(iv). Social Welfare work by College and High School students". Only Rs.1,000/- is available but expenditure in excess of Rs.1,000/- could be met by re-appropriation in March next out of savings under other sub-heads out of the major head "37-Education". The expenditure may be sanctioned and the Govt of India reminded to issue orders sanctioning the amount asked for in this office No.A-6-18212/D.Dis.166/54, dated 25th Jan. 1955.

365775

(H)

Para.36

Unless the money is made readily available, there is bound to be a set-back for such social work in future. Necessary provision will have to be made in the Budget and appropriation sanction secured against such provision in the Budget. Then we can ask the Headmasters to run such Camps. If the Finance Dept cannot find a way out to meet the Expenditure, the only alternative is to remind the Govt of India to provide necessary funds immediately.

40

41 It is already

M. Stated that the expenditure may be sanctioned & paid.
There is a token grant
The extra amount required
could be adjusted by re-appropriation in March.

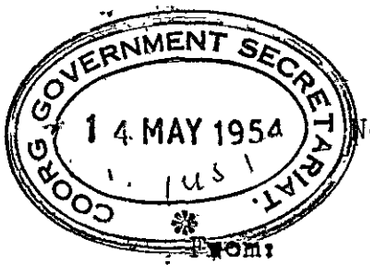
EXPRESS



No.F.5-21/54-D7
Government of India,
Ministry of Education,

New Delhi the 11 May, 1954.

From:

The Joint Secretary to t

To :

1. The Vice-Chancellors of all the Indian Universit
2. The Secretaries of all State Governments, Education Department.

Subject:- Youth Camps and Labour Service by Students.

....

Sir,

In the meeting of the Committee for the of the Labour and Social Service Camps of Students, held on the 6th May, 1954, it was decided that the university students and teachers should be given an opportunity of rendering labour service during the summer vacation and their services should be utilised for meeting the needs of the country. It was considered that far better it would be if the universities themselves could select some projects suited to their local conditions of the type of construction of roads and canals, of school building and dispensary, as such projects will tend to bring about a closer relationship between the teachers and students, and give them a more realistic attitude towards life and their environment. If the universities draw up projects for this kind of social and labour service for the coming months of June or July and forward their plan of work to this Ministry, we will be glad to scrutinise and consider them for giving financial assistance. In case this cannot be done during this summer vacation for want of time, an attempt may be made to organise these Camps in October.

In the meantime, an offer has been received from the National Cadet Corps who are organising Social Service Camps in different parts of the country to accept about 100 university Non-N.C.C. students (including a few teachers) for each of their work centres for training in social service for 2 weeks. A list of these Social Service Camps is enclosed for your information. In case you decide to depute any teachers, you may include one teacher for about 25 students. The students will work along with other cadets and will be subject to the same camp discipline and routine. The entire cost of training of students has been estimated by the N.C.C. authorities at Rs.50/- per head and will be borne by the Central Government. This includes the transport charges of students at third class fare (students' concession rate) and is not expected to exceed Rs.12/8/- per head on an average.

P T...

Since the time for arrangements is extremely short, may I request you to select 100 students (including a few teachers) from your college/area for the Social Service Camp in your/neighbouring State and send a list of trainees and teachers to the N.C.C. Camp Commandant under advice to us at an early date. They will require full particulars of students and teachers namely, name, age, class in which studying (in case of students)/designation (in case of teachers) and their permanent address.

An immediate action on your part will be highly appreciated.

Yours faithfully,

K.G. Saiyidain

(K.G. Saiyidain)
Joint Secretary.

GOVERNMENT OF COORG.
CHIEF SECRETARIAT.

DESPATCHED.

No.A.6. 3188 Mercara, the 28th May, 1954.

To - The Secretary to the Government of India,
Ministry of Education, New Delhi.

Subject:- Youth Camps and Labour Service by students.

....

Sir,

I am directed to refer to your Ministry's letter No.F.5-21/54-D7, dated the 11th May, 1954 and to state that it would not be practicable ~~in Coorg~~ to undertake any social service works in Coorg during the months of June and July owing to ~~the~~ heavy monsoon. Youth camps and labour service by students will, however, be undertaken in October ~~next~~ 1st month of & Necessary plan & Work schemes will be drawn up for your approval and sent ~~to your Ministry in due course~~.

2. I am also to add that as all the educational institutions are closed for summer vacation and also due to short notice, it has not been possible to enlist sufficient number of Non-N.C.C. students for undergoing training in the N.C.C. camps this month. ~~This~~ Government would be glad to send a batch of non-N.C.C. students for training ~~if there should b~~ such N.C.C. Social Service Camps to be organised again in September or October next.

Yours faithfully,

Chief Secretary.

Copy to the Principal, Government College, Mercara.

A plan of work to be undertaken in October next on the lines indicated by the Government of India may be drawn up in consultation with the Development Commissioner, Community Projects, Coorg; if necessary and sent up to this office by the 30th June, 1954 to seek the financial assistance from the Govt. of India.

Since the number of Non-N.C.C. students selected by you is too small, it is considered not worthwhile to send such a small contingent for training at the N.C.C. Social Service Camps this time.

The Hon'ble Minister for Education,
Coorg, Mercara.

Sir,

The National Headquarters, Bharat Sevak Samaj have desired that Students Camps may be organised during Summer. The Government have set apart a crore of rupees in the First Five Year Plan towards the expense of these camps. Either the Educational institutions could organise these camps directly or through the Bharat Sevak Samaj. I shall be glad to know whether the State has initiated any scheme and in that case I shall see what the Samaj could do to make the camps successful. If not I shall directly take up the matter with the Heads of educational institutions. As there is not much time before the

Government College, Mercara, Coorg,
Dated the 4th June 1954.

No. 565

To

The Convenor, Bharat Sevak Samaj, Coorg, Mercara.

Subject:- Students' Camps and Youth Camps.

Sir,

Please refer to No.30/54 dated the 13th May 1954, from the Bharath Sevak Samaj, National Headquarters, New Delhi, a copy of which has been forwarded to this office.

It is not possible for organising any students camp at the moment as the college is closed till the 27th June 1954 for the summer vacation. However, a camp consisting of about 50 students will be arranged in the ensuing September vacation. The venue of the Camp may be Bhagamandla. During the camp, the work of connecting the newly constructed Bhagamandla Karike road with Talakauvery by a motorable road may be taken on hand. The length of this proposed road is about half a mile. At present, there is no vehicular road connecting Bhagamandla with the centre of the pilgrimage. The Vice President of the Social Service League of this college has already discussed about the proposed work with the Convenor of the Bharat Sevak Samj and the President of the Coorg Temple Funds Committee.

It is suggested that the Government may finalise details as to the layout of the proposed road and prepare a plan before September 1954, so that the proposed work may be taken on hand by the students of this college straightaway during the September vacation, without any loss of time.

The question of acquiring certain private lands through which the proposed road is likely to pass may also will have to be considered by the Government.

If it is decided that the above proposed work should be taken by the students of this college during the ensuing September vacation, it is requested that definite directive in this regard may kindly be issued before the end of August 1954.

Yours faithfully,

Principal.

5 - JUN 1954
2468

Government of India,
Ministry of Education,
....

No.F.5-21/54-D.7., New Delhi 2, the 31 May, 1954.

Prof. K. G. Saiyidain.,
Additional Secretary to the Government of India.

To

1. The Vice-Chancellors of all the Indian Universities.

2. The Secretaries of all State Governments, (Education Department)

SUBJECT: YOUTH CAMPS AND LABOUR SERVICE BY STUDENTS.

Sir,

I am writing this in continuation of this Ministry's letter No.F.5-21/54-D.7., dated the 11th May, 1954, regarding the participation of non-cadet students in the N.C.C. Social and Labour Service during Summer months. This proposal is part of the much larger project, that Government of India have undertaken to organize for Labour and Social Service Camps for students and a sum of Rs. 20 lakhs has been provided in this Year's budget for the purpose under the Five-Year Plan.

2. The primary aim in introducing this programme, as explained in our previous letter, is to offer an opportunity to students and teachers to participate in community service by contributing to the various tasks connected with national reconstruction. Besides developing a sense of the dignity of labour, such activities are also calculated to help in promoting team work, self-confidence and a sense of responsibility. They would also enable the students to gain a truer perspective on national problems and an insight into the life of the people.

3. It has been suggested that, before a student completes his studies, he should spend a reasonable time - which may extend from 6 months to a year - in doing labour work and participating in some specific nation-building programme. This may be the work in the development programmes of community projects, or for improvement of slums, or repair and construction of public utility centres like community centres, youth hostels, village schools and such other projects as would meet various urgent needs of the people. We cannot, however, at this stage, make arrangements for labour service on a universal or compulsory basis, but the idea is to initiate steps which may prepare the way of achieving that ultimate object. So, for the present, it has been considered enough to limit the period of manual labour to a month or six weeks in a year.

4. In view of the larger educational interests of students it has been considered advisable to organize these camps through educational institutions so as to avoid over centralization and keep the leadership of the movement in the hands of teachers. In the actual working of the projects, it would be necessary and useful to seek the assistance and cooperation of voluntary social service organisations like Bharat Sewak Samaj and other similar

P.T.O.

social organisations. The Central Government, therefore, suggest that State Governments and Universities (directly or through their colleges) should prepare schemes for organising such Youth Camps during the vacation in cooperation with suitable voluntary organisations in their region and send them up to this Ministry for approval. The Centre would be prepared to meet the expenses incurred on the following basis:

i) Transport (3rd class railway fare or actual bus fare).

ii) Rs.2/- per day per head for boarding and other incidental expenses connected with the Camp. On the basis of the experience obtained so far in running such camps, it has been found that it would be possible to organize such camps economically on this basis.

5. It is the earnest desire of the Government of India that, before the present financial year is out, the State Governments, Universities and other educational institutions may prepare their programme for organizing Manual and Social Service Camps in which students under the direction of a few teachers may participate to the mutual advantage of the individuals concerned and the community. In case, some concrete proposals have been already worked out by you, this Ministry would be glad if you will send them up for consideration so that financial assistance may be made available for the purpose.

Yours faithfully,

K.G. Saiyidain

(K. G. SAIYIDAIN)
ADDITIONAL SECRETARY TO THE GOVERNMENT OF INDIA.

MAS

No. 5-21/54-D.7.
Government of India,
Ministry of Education,

New Delhi-2, the June, 1954.

From

The Additional Secretary to the Government of India.

To

1. The Vice-Chancellors of All Indian Universities.
2. Secretaries of all the State Governments (Education Department)

Subject: YOUTH CAMPS AND LABOUR SERVICE BY STUDENTS.

Sir,

The Committee on Youth Camps and Labour Service by students in their last meeting held on the 1st June, 1954 considered applications received from various State Governments and voluntary organisations for organising youth camps during the summer vacations and also discussed certain points relating to the conducting of camps.

2. It was decided that youth camps should not be too large to be unwieldy and cumbersome nor too small to lack community spirit and fellowfelling. The true purpose of the camp should never be lost sight of, which is to enable the youths to live a corporate disciplined life and to engaged in healthy manual and recreational activities. The maximum capacity of a camp is, therefore, fixed at 300 and the minimum 50. Where the number of campers exceeds the upper limit of 300 they should be split into two or more smaller units. Camps below the lower limit of 50 members are also not to be encouraged.

3. The normal duration of a camp should be 4 weeks. It may be reduced to 3 weeks in exceptional circumstances. No camping programme for a lesser period therefore, be entertained. This will require careful thought and planning on the part of organisers who will not only ensure themselves that the selected piece of project will involve 4 weeks' active manual labour but also that the project undertaken is purposeful and of the kind which could be completed within the contemplated time limit. This is essential, as nothing is more demoralising than to find one's earnest hard labour go wasted. It is, however, not intended nor is it desirable that the same project in the same area should be undertaken year after year. Indeed, the site for project should vary every time so that a larger section of population may benefit by the spontaneous useful activities of the young folk. Since the nature of work of boys and girls' camps will be different, it is desired that mixed camps should be substituted by two separate camps - one for boys and the other for girls.

4. It will serve as an incentive for the campers if all the programmes are conducted under the supervision of some competent authority. The provision of wholesome food to the youths in the camps should be a major concern of the organisers. The food supply should, in no case, be such as would be detrimental to the health of the campers. The Government of India are prepared to pay for this purpose an amount upto a maximum (of) Rs. 1/8/- per day per head.

5. The committee is anxious that youth camps should not form the privileged activity of school or college students. Youths who have left school or college, or have not been to school at all should also participate in large numbers in this programme of work. They can either join groups of students from schools and colleges in their project work or organise camps through approved voluntary organisation. The nonstudent groups have advantage over the student population in the sense that while the students can devote their time for labour service during the vacation periods only, the non-students can hold camps at other times of the year as well.

6. In order to ensure that the amount grantedfor a programme has been properly utilized, it is desired that State Govts. in the case of camps for students and non-student groups, and universities in the case of students, should ascertain that proper accounts of the expenditure incurred on camps are maintained, and submit the statement of audited accounts to the Ministry when the programme of work is over.

7. As far as the actual labour work is concerned it is felt that all work should be done in the spirit of love for labour and should need no special recognition. It is, however, left to the local authorities if they deem it fit to award certificates of merit to individual campers for any outstanding act that they may have performed.

P.T.O.

8. It is requested that at the close of a camp a brief report may be furnished to the Ministry along with the statement of accounts mentioned above, giving important features of the camp programme and also indicating any special problems that had to be encountered during the camp period and the manner those were solved. Such exchange of experiences, it is hoped, will be of help and guidance to other campers as well.

9. It will be convenient for the Ministry to examine applications for camps to be held in the month of October or earlier if they are accompanied by the information on the points tabulated in the annexure to this letter. Applications for grant must reach the Ministry of Education, sufficiently in advance.

Yours faithfully,

S. J. Narasian

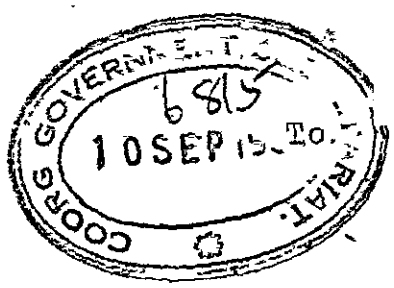
to the Government of India



1. All the Vice-Chancellors of Indian Universities.
2. The Education Secretaries of all the State Governments.

SUB: YOUTH CAMPS AND LABOUR SERVICE BY STUDENTS.

A6 — No 3531

Sir,

In continuation of this office letter No. F.5-21/54-D.7 dated the 21st June, 1954 I am placing before you further reflections on Youth Camps:

The objective of Youth Camps is not only to render useful manual service to the community, but also to organise social, cultural and educational activities for self-expression and self-development and to become better acquainted with the every day life of the country and its people. Camp life involves a certain amount of self-discipline and teach the social significance of co-operation as a way of living, and therefore, all such camps are the training grounds for healthy activities and help to develop character and make good citizens.

2. There are numerous types of activities in which youths can engage themselves. For instance, the country stands in need of better road connection between villages, between remote villages and neighbouring towns and between villages and the great trunk roads. No one who has travelled into the distant and "out of the way" parts of the country can have failed to notice the deplorable condition of roads, and to experience the jerks and jolts which almost break the bones and to have come across difficult bits which could only be covered on foot as the ordinary public conveyances cannot negotiate them without doing damage to themselves. So a large number of youths have constructed roads and it is a popular

otherwise rather monotonous life. Indeed these are the some of the innumerable activities in which girls can profitably engage themselves, and at the end of their camping period return home feeling satisfied that they have left the villages a better place than they had found and that they have achieved something of which they can be justly proud of.

4. Some Girls' Camps have already been held in different parts of the country. The programmes of work pursued by them are as follows:

> Sanitation work, literacy campaign, sewing and stitching, construction of parks and kitchen gardens, First Aid and Home Nursing.

5. Types of work envisaged for girls' Camps obviously need some previous training and a good survey of village conditions before holding a Camp. Certain specific training will be required in needle craft, nutrition, health and hygiene, First Aid and Home Nursing. For this purpose it wi be of great value if a short intensive course for 15 days is organised for the would-be campers to acquaint them with the conditions they are likely to find in the villages and also to give training in crafts mentioned above. Local Medical Officers and Officers of the Development Departments of State Governments besides teachers and organisers may pool their knowledge and help them to understand how they can endeavour to improve the locality in their small way and thus make a success of their camp. If, in addition, a general picture could be given to girls of agriculture and agricultural life and rural founa and flora it would send them to villages with an intelligent approach, better able to talk to the villagers in their own language.

6. It would require considerable tact, common sense and sincerity of purpose in girls to win the confidence and good will of the villagers as well as resourcefulness, presence of

...4

mind and efficiency in meeting emergencies. They must have to exercise a great deal of patience and understanding in order to appreciate the working of the minds of the women and children with whom they will have to deal.

7. It is hoped that boys and girls in increasing numbers will join camps and go to villages with a will to work, a will to help and a will to enrich their own life.

Enclosed are the application forms for Youth Camps which you may kindly forward to Institutions/Colleges for completion.

No. PC/Pub/52/2/53
Govt. of India,
Planning Commission.
New Delhi: Nov. 26, 1953.

From

Shri Y. N. Sukthankar, I.C.S.
Secretary, Planning Commission.

To.

The Chief Secretary to the Govt. of Coorg.

Sub: Local Development Grants for Student Camps in Community Projects or other development or Construction works for rendering free Voluntary Service.

I am directed to refer to the Planning Commission's letter No. PC(VI) 55/16/53 dt. the 13th May, 1953 in which Sanction was provisionally accorded upto end of June, 1953 (as an experimental measure) for locating the Student's Camps in Community Projects for rendering Voluntary Service as a local works Scheme under the five year plan. In Planning Commission's letter No: PC/Pub/52/53 dt. the 11th Aug. 1953. the Student Camps have been included as one of the illustrative Categories of approved local works which the State Govts. may themselves sanction from their own allocations for local development works. The Scheme relating to Student camps for free voluntary Service on Community and other Projects has evoked very wide interest and it has been decided that where the State Govts. find it difficult to meet expenditure on the Camps from their allocation for local development works the Planning Commission may consider grants from the Central Reserve, with them, provided the prior approval of the Commission to the outlines of the Student Camp Schemes is obtained. In addition proposals for grants for Student Camps organised by educational authorities or recognised non-official Voluntary Social organisations will also be considered.

2. This Central grant will be sanctioned subject to the following Conditions:

a) A Concrete scheme for which the free voluntary labour of the students would be given should be worked out in each case in consultation with the Project Executive officer or other authority in charge of the Project and sent to the Planning Commission for their approval.

b) A grant-in-aid for purposes of boarding only not exceeding -/12/- annas per day per student staying overnight at the Project site would be admissible. Where there are, however, no adequate facilities for girls students staying overnight at the ~~Project~~ Camp site or work site an equivalent contribution for transport charges may be considered. A certificate from the Project Officer or the authority in charge of the project that the expenditure actually incurred was not less than the amount claimed will be necessary in each case.

(c) In addition to (b) above, a contingent grant of Rs 2/- per student will also be allowed for each student for the duration of the camp, subject to a maximum of Rs 1000/= for the entire period of the Camp, even if more than 500 students participate in it.

d) The period of voluntary labour should as a rule be not less than 3 to 4 weeks. In cases where this is not possible a shorter period (in any case not less than 2 weeks) may be considered.

e) The maximum grant for each students' Camp will not exceed Rs 10,000/- the ceiling fixed for local works grant.

f) Tools and implements and any material required for carrying out works will have to be provided by the Project Administration or other sources. No grant-in-aid will be admissible for this purpose from local works grant.

g) No grant will be admissible for any other item of expenditure, for example t.a., lodging expenses etc also.

h) Grants are payable in arrears but in deserving cases the question of payment of advance instalments of the grant to voluntary organisations will be considered on the merits of individual cases.

i) The Progress Report prescribed in Planning Commission's Dte. No. PC(VI) SS/16/53 dt. the 15th July 1953 should be submitted without delay in respect of each approved scheme.

3. It is requested that the widest publicity may be given to the Scheme by bringing it to the notice of all the High Schools and College authorities and other

well established local voluntary organisations in the State. Proposals for organising Students Camps from voluntary organisations may be addressed direct to the planning Commission if they so desire. The State Govts will be consulted where ever necessary.

4. For each voluntary group a small Committee which would normally include College professors or other respectable organisers should be organised and the organisers of the party would be held responsible for carrying out undertakings on behalf of the Camp. The progress of these Students Camps will be reviewed in August or September 1954 when the question of its further extension in its present form or in a modified form in the light of experience gained will be considered.

5. The procedure obtained in paragraph 8 of Planning Commission letter No. PC/pub/52/53 dated the 11th August, 1953 will be adopted for allotment of specific grants to the State Govts. in the case of each Students' Camp where it is financed direct from the Central Reserve Grant.

Subj: Schemes for Students going to the Community Projects for rendering Voln services.

Sir,

In continuation of the planning

Commission's letter No. PC/pub/52/2/53 dated 26-11-53 on the subject noted above, I am directed to say that it has since been decided that the future schemes for enabling students to work for Community Projects and National Extension Areas will not form part of the Local Development Works Programme. No grant should, therefore, be sanctioned hereafter for these Camps under the Local Works programme.

2. Proposals for financial assistance for Youth Camps and Labour Services by students will now be considered by the Ministry of Education, Pre-University Education Development Division, New Delhi, to whom all proposals received in the Planning Commission for grants for the current Summer vacation have been transferred.

Subj: Youth Camps and Labour Service by Students.

Memorandum

It has been decided to organise Youth Camps during the next Summer vacations not only to render useful manual service to the Community but also to organise social, cultural and educational activities for self-expression and self-development and to become better acquainted with the every day life of the Country and its people. The various types of activities in Youth Camps are the following:-

Boys: 1) Construction of Roads.
2). Repairing of old buildings.
3) Filling up of soak pits.
4) Clearing of ponds and stagnant pools.

Girls. 1) Sanitation work.
2). Literacy Campaign.
3) Sewing and stitching.
4). Construction of parks and kitchen gardens.
5) First aid and home nursing.

The normal duration of a Camp may be 4 weeks. The Govt. would be prepared to meet the expenses incurred on the following basis:-

i) Transport (3rd class railway fare or actual bus fare).

ii). Rs 2/- per day per head for boarding and other incidental expenses connected with the Camp.

The Village in which the School or College is situated may be selected to have the first Camp. It is hoped that boys and girls in increasing numbers will join Camps and go to villages with a will to work, a will to help and a will to enrich their own life. Further instructions will be issued from time to time.

Enclosed are the application forms for Youth Camps which may be completed and sent to the Special Officer for Education by the end of Dec. 1954, the latest. (T)

Training Camps for Organisers (Teachers). It has also been decided to organise training Camps for teachers in the following subjects :-

1) Administration and management of a Camp.
2) Maintenance of accounts.
3) Survey of Village Conditions.
4) Elementary Knowledge of Health precautions before undertaking programmes of work such as Sanitation drive, cleaning of stagnant pools etc.
5) Training of balanced time-table including manual work, lectures, talks and recreational activities.
6) Acquaintance with tools and equipment required for project work.

These Camps will be of 12 to 15 days duration and cater for trainees between the ages of 30 to 45. Expenses will be met by the Govt. of India.

The names of teachers from each School/College who will be deputed to receive training and lead the young in the task of nation-building activities should also be furnished to the Special Officer for Education by the end of Dec. 1954, the latest.

SUB:- YOUTH CAMPS AND LABOUR SERVICE BY COLLEGE STUDENTS -

.....

Sir,

Reference your endorsement No.A.6/13861/D.Dis.166/54, dated the 16th November 1954.

There is no objection to take up labour service by the students of the Government College, Mercara, during the next summer vacation. Since our budget will not lapse, the amount sanctioned this year could be utilised during next year. The only difficulty appears to be that during summer it will be very hot and the boys may find it hard to work in the hot sun. For doing any earth work, it will also be difficult as the ground will have become hard by then. Any-how we may engage them on Talacauvery road work which it is hoped will have been investigated by then. Alternatively the channel under Hathur dam and also Honni-coppa dam will have to be dug. As this is merely earth work, the boys could very well be engaged on this work.

Yours faithfully,

(M. N. Gundu Rao),
Development Commissioner.

SUBJECT:- SOCIAL WORK BY HIGH SCHOOL STUDENTS 1-11-1954 TO 8-11-1954 DETAILS REGARDING WORK DONE _ REPORT

I am herewith submitting the report showing the attendance of students engaged on social work and the extent of the work done with a rough estimate in rupees of the work turned out within the eight days.

Work allotted to students of this school : Reconditioning of Masagodu - Negalale road - approximate length - 2 miles.

Details of work turned out:-

1) Reconditioning two furlongs of road - digging, filling up deep ruts, cutings sides and widening the existing road.

2) Clearing Wild growth - uprooting of plants.

3) Felling trees - clearing roots, burning of stumps wherever possible by students.

4) Removing barbed wire fence and widening the road one furlong -

5) Removal of about fifty cartloads of fire-wood and staking them.

6) Removal of rocks and filling up work whenever possible.

7) Construction of almost a new road, where there was only a footpath - one mile and six furlongs.

Additional work under-taken besides what was allotted to the school by the Development Commissioner.

1) Widening the footpath and reconditioning it (nearly 100 yds) - short cut to Banavara road.

Estimated cost of the Social work done by students : Rs. 2,000/- (Rupees Two thousand)

SUBJECT:- YOUTH CAMPS AND LABOUR SERVICE BY STUDENTS - SERVICE DONE BY THE STUDENTS OF THIS SCHOOL DURING THE WEEK COMMENCING FROM 1-11-1954 TO 8-11-1954 - REPORT OF -

.....

The social work allotted to the students of this school to be done during the week commencing from the 1st of November was conducted according to the following programme.

The students, numbering 110 were divided into five squads each squad worked under the direct supervision of a student leader and a teacher. Each squad was allotted a definite amount of work for the day and the work used to be completed within the allotted time.

The nature of the work: Thw work consisted of

1) Reconditioning of two furlongs of road - digging, filling up deep ruts, cutting and widening the existing road
2) Clearing wild growth - uprooting of plants.
3) Felling trees - clearing roots, burning of stumps wherever possible by students.
4) Removing barbed wire fence and widening of the road - one furlong.
5) Removal of about fifty cartloands of firewood and staking them.
6) Removal of rocks and filling up work wherever possible.
7) Construction of almost a new road where there was only a foot path - one mile and six furlongs.

Additional work undertaken besides that was allotted by the Development Commissioner.

1. Widening the footpath and reconditioning it (nearly 100 yards) - short cut to Banavara road.

Hours of work (Daily)

8-30 A.M. to 12-30 noon	4 hours.
2-00 P.M. to 5-00 P.M.	3 hours - total 7 hours per day.

Period of work: commencing on Monday, the 1st November till Monday the 8th November - eight days.

Arrangements for meals, refreshments:

1) 8 A.M. Coffee and eatables (Uppittu or beaten rice prepared)
2) 12-45 Noon - Meals.
3) 5 P.M. Coffee - refreshments - (sweets savoury).

For the first five days food was prepared at the working spot by a special cook on contract basis; later on the cooking was taken up by the teachers and a squad of students, who cooked food and served the boys quite satisfactorily for two days.

ENTERTAINMENTS: During the recess at noon for one hour, from 1 p.m. to 2 p.m. students engaged themselves in singing, playing organs, telling stories, staging farces etc. On Sunday in the evening all the teachers and the students visited the village temple and attended the prayer. There at the temple the students and the teachers were entertained to tea by Sri. K. Devaya of Karkalle village. The villagers also participated in the tea.

CO-OPERATION FROM THE RUBLIC: Sri. B. T. Channiah, Coffee Planter and Cloth Merchant, Somwarpet was generous enough to let us the free use for the eight days of a clean and spacious shed for boarding and cooking purposes. Good encouragement was accorded from many of the public who visited the work-spot. Sri. K. S. Chennabasaviah, Coffee Planter and Dr. Mohan Hegde each had arranged a tea in the evening on different days. Sri. Sankappa Pujari, toddy contractor gave a grand dinner to teachers, students and the public who happened to visit the spot on that day. As already mentioned above Sri. Karkalli Devaya entertained the students, teachers and the villagers to teae one evening. The following gentlemen voluntarily gave donations in kind and coin for awarding equal prizes to all the five squads in appreciation of the good work turned out by the students of the school.

Sri. A. R. Puttappa, Coffee Planter, Somwarpet.	Rs. 20/-
Sri. H. T. Muthanna, M.L.A., Somwarpet.	Rs. 30/-
Sri. Sankappa Pujari, Toddy contractor, Somwarpet	Rs. 30/-
Sri. M. S. Hanumanthappa, Member, Somwarpet N.A.	Rs. 30/-
Sri. Kibbetta Bellappa, Somwarpet.	Rs. 40/-
Sri. H. M. Chengappa	One silver cup.
Sri. H. M. Chengappa	One Cup (Silver)
Sri. S. Sadashivarao, Merchant, Somwarpet.	One silver cup.

ESTIMATE OF WORK DONE: Rs. 2,000/-

Attendance of Teachers and students - daily from 1-11-54.

	Nov. 1	2	3	4	5	6	7	8

SUBJECT:- YOUTH CAMPS AND LABOUR SERVICE BY STUDENTS.
Reference - Your No. 9827/54, dated the 6th November 1954.

.....

I beg to submit the following report of Social Service Work undertaken by the students of Central High School, Mercara, for eight days from 1st November, 1954, to 9th November 1954, the details of which are given below:-

150 able bodied students of the High School studying in IV, V and VI Form classes were enrolled to do Social Service work. They were divided into 10 batches of 15 each. The following teachers were in charge of the different batches.

I Batch	Sri. M. P. Manjunath.
II Batch	Sri. V. S. Ramakrishna.
III Batch	Sri. B. A. Achayya.
IV Batch	Sri. A. M. Ponnappa.
V Batch	Sri. M. M. Poovayya.
VI Batch	Sri. K. T. Mandanna.
VII Batch	Sri. C. H. Krishnamurthy
VIII Batch	Sri. C. B. Ayappa.
IX Batch	Sri. A. R. Bhagavan Singh.
X Batch	Sri. H. R. S. Kumar.

Sri. V. S. Ramakrishna was in charge of the over all supervision of the work and Sri. B. M. Biddayya was in charge seeing to the supply of refreshments to the students

Duration of the work:- 8 days from 1st November 1954 to 9th November 1954.

Timings:- 9 A.M. to 11-30 A.M.
2-30 P.M. to 4-30 P.M.

Nature of work undertaken:- Reconditioning the Rajas' seat - Thalathmane road for about 1½ miles.

Details of working.

1-11-1954.

About three furlongs of road reconstruction by putting mud, digging side trenches, making steps wherever necessary and elevating the road by bringing it into a barrel shape, cutting rocks on either side and broadening the road.

Entertainment:- Team Games.

Distinguished visitors:-1)The Development Commissioner.
2)The State Educational Officer

2-11-1954.

About 2 furlongs of road reconstruction. Reconditioning the road by putting mud, and digging side trenches.

Attendance:- 150.

3-11-1954.

One furlong of very rugged and stony road rendered into a smooth walkable road by removing stones, making steps, digging side trenches etc.

Attendance. 150.

4-11-54.

One furlong of rugged road reconstructed.

Distinguished visitors:- Captain Dorairaj.

Attendance. 150.....

5-11-54.

Reconditioning the same road upto Thalathmane public road. Places which had too many slppes were converted into an easily walkable path.

Distinguished visitors:- 1) The Home Minister.
2) The Development Commissioner.

Attendance. 150.

6-11-54.

Straightening the trenches, trampling the road by means of 8 tramplers, elevating the steps.

Distinguished visitors:- 1) The Chief Commissioner of Coorg.
The President and the Vice-President of Mercara Municipality.

Attendance:- 150.

8-11-54.

Straightening the trenches, repairing and reconditioning the road, wherever necessary.

Attendance. 150.

9-11-54

Reconditioning the road by giving a final touch and cutting side rocks and widening the road.

Attendance:- 150

Break-up-function:- The break up function was held on 9-11-1954 at 3-30 P.M. at the Raja's Seat. Sri. B.A.Belliappa, B.A., Addibor Janmabhoomi presided. Sri. G. B. Linganna, Social Education Organiser gave a talk on the aims and value of social service. A brief report of the work was read, and entertainments were had.

Thus a very useful piece of work was undertaken and completed by the students in these 8 days.

Statement showing the daily attendance of the students engaged in social work.

SUBJECT:- YOUTH CAMPS AND LABOUR SERVICE BY STUDENTS.

Reference - Your letter No.A.6-13759/D.Dis.166/54, dated 15th November 1954.

.....

With reference to the circular No. 8288/54, of 20th September 1954, from the State Educational Officer, Coorg, 45 students of this High School started reconditioning and broadening the road from Western side of the European Cemetery leading to the stone hills on the 23rd October. But an order was issued by your office (No.A.6-12616/D.Dis. 166/54, dated 27th October 1954) directing us to repair the Raja's Seat - Thalathmane road. As we had already worked for five days, it was not possible for us to change the road. Hence, after informing the Community Project Officer, we continued to repair the Stewart Hill-Stone Hill Road.

All the 45 students worked from 9 A.M. to 4-30 P.M. with an interval of one hour for mid-day meals. These students were supervised by four of our teachers. The road was broadened by 2 feet on each side. All the surface of the road was dug and levelled. Now two vehicles can easily pass each other. The same width was kept up till we reached dynamite store-house, C.P.W.D. From the Dynamite store-house, the road was only 4 feet wide. That road was broadened by 2½ ft. on each side. On the whole, we have reconditioned 6 furlongs long road. The work could not be completed before the period of eight days. Hence we had to stop the work in the middle. It would have progress better if we had been supplied mumties and other implements by the Community Project Department. Though we requested the Office, our work was not inspected. We regret to say we did not get any slight encouragement from any quarter.

Each student was fed at a cost of Re. 1/- per day for 8 days.

.....

REPORT OF THE SOCIAL WORK DONE BY THE STUDENTS OF 'GIRL'S HIGH SCHOOL, MERCARA'.

.....

1. Name of the Institution. .. Girl's High School, Mercara.

2. No. of teacher leaders: Two.

3. No. of students participated on -

13-11-54	60
15-11-54	77
16-11-54	73
17-11-54	68
18-11-54	69
19-11-54	67
20-11-54	68
	482

4. Nature of work:- The first 3 days were spent in cleaning up the Harijanakeri near the Beauvoir. The whole batch of girls were divided into 4 squads - some visited the houses in batches of 4 and 5, met the women folk and advised them tactfully on cleanliness and neatness in house keeping and dress. Some little boys who wchemed school on the plea of not having clean clothes to wear, were advised to be more regular. The girls made them wash their clothes and saw that they attended class the next day.

They cleaned up the street, pulled out the weeds and swept it - They saw to the cleanliness of the compounds an surroundings.

The remaining 4 days were spent in cleaning the areas under the Municipality, following the directions of the President. The students were divided into two big batches. A batch of about 34 girls cleared up the weeds which were grown to a length of 2 to 3 feet on both sides of the Ranipet road to a length of about 3 furlongs. They cleared the drains along the sides of the road. On the last day a lane of about a furlong in length was thoroughly cleaned. The weeds on both sides of the road were cleaned and the overhanging branches were cut and the whole lane made clean, neat and wider.

The 2nd batch consisting of about 37 girls cleaned the Gowlikeri - Swept and weeded, cut down the overharging branches and cleaned up the drains. The whole of the Gowli keri up to the Power House was thoroughly cleaned up.

5. Duration of the work:- 1 week.

6. Recreational activities during the Camp:- After the mid-day meal the students were asked to present little items. They were divided into squads and each squad had to prepare a little play, a dance, a song etc. We had the friends in Council nearly every afternoon.

7. The total amount spent in organising the camp was at the rate of Re. 1 per head for food conveyance for some girls was arranged.

8. General Remarks:- The students who were only girls worked with great enthusiasm. They were very willing to do any kind of work irrespective of families or caste. All partook in the work, Though it was very strenuous at times. They did as much as the boys had done in some places. The visitors who visited the camp were very pleased and said that the girls had done very neat work. Among them were - Mr. B. S. Kushalappa, (The Speaker)

Copy of letter No. 621, dated the 13th November 1954 from the Headmaster, Government High School, Ponnampet, to the State Educational Officer, Coorg.

.....

SUBJECT:- YOUTH CAMPS AND LABOUR SERVICE BY STUDENTS.

.....

Reference - No. 9827/54, dated the 6/8th November 1954.

.....

All the boys of this High School, from the VI form to IV Form, (excluding those who were ailing and physically unfit), numbering 189 in all, and 10 teachers, were engaged in social service work in re-conditioning the Ponnampet - Kanur road up to a distance of 2 miles and 3 furlongs from the Ponnampet main road from the 3rd November 1954, to the 11th November 1954, both days inclusive, with a break of one day on the 7th instant, (Sunday).

The boys were divided into 9 batches of 21 each, and each batch was put in charge of a teacher. Two such batches worked side by side in a furlong, after finishing which, they marched to another furlong where work was to be continued. All batches worked in complete co-ordination with each other and strictly adhered to the instructions given by the Section Officer of the Minor Irrigation Department with regard to the shape and width of the road.

The following teachers were in charge of the several batches:-

Messrs. (1) R. Krishnaswamy, (2) G. K. Muthanna (3) K.K.Veerappa, (4) K. B. Somiah, (5) A. A. Pooviah, (6) M. K. Uthappa, (7) B. R. Narayana, (8) T. S. Narayana Rao, (9) N. S. Ramchandra, and (10) T. M. Abu Saleh.

A first aid box was kept in readiness with the party to meet emergent cases of minor injuries.

The batches assembled in the Old High School building, where the implements were kept, at 9.30 A.M. daily and marched straight to the work-spot and worked till 12-30 P.M. Tea and bread (or bun) were supplied to the boys at the workspot at 11 A.M. At 12-40 P.M. Mid-day meals were supplied near the work-spot itself. (Arrangements were made with the Proprietors of Anand Bhavan and Mysore Cafe for this purpose). The work was resumed at 2.00 P.M. and continued till 4-15 P.M., after which time the boys were served with light tiffin and tea or coffee.

Meals arrangements from Anand Bhavan could not be continued on the 8th, 9th, 10th and 11th November 1954, on account some short-comings in quality and quantity, and such of the boys as were taking that food agreed to bring their own afternoon food with them. However, the supply of food from Mysore Cafe (vegetarian) continued as usual. The boarders in the hostel and all the teachers joined the vegetarian group for meals and evening tea. (In this connection, it may be mentioned that the Proprietor of Mysore Cafe could not supply food to all the members of th party, as his means in men and material were limited).

Morning tea was got prepared at the spot on all the days and was served to the boys in their own place of work; and evening tea was got prepared on the 8th to 11th instants. (both days inclusive)

The original road was very uneven and full of tree-stumps all along the road side and in some cases, the stumps actually obstructed the road. There were several bamboo bushes and trees overhanging the road. The xx

The road is full of serpentine curves.

Sine there is an idea of metalling this road, we have tried to maintain a minimum width of 14 ft. throughout the length of the road, and side drains 2 ft. wide and 9" to 1 ft. deep. We have also straightened the curves in many places and widendd the road in several other places.

In addition to the reconditioning of the road to a distance of 2 miles and 3 furlongs, the following items of work have been successfully completed.

1. Bamboo bushes felled.	3
2. Overhanging trees felled.	28
3. Obstructing stumps uprooted and removed from roadside.	55
4. Obstructing bamboo bushes (dry) burnt down	15
5. Huge logs cut and removed from the road margin.	5
6. Places where curves have been removed and road straightened	15
7. Places where road has been widened by 3 ft. and more	12.
Total No. of Man-hours of work put in by boys (calculated at 75% of the adult work)	5355
Total No. of man-hours of work put in by teachers.	420
Total	5775

Dr. P.M.NANAMIAH, M.L.A., Shri. N. N. Pooviah, Social Education Organiser, and Shri. C. G. Kushalappa, adult school teacher, Mathur, worked with the boys on the 3rd forenoon and their presence greatly added to the enthusiasm of the boys. Shri. C. P. Kushalappa, President Ponnampet Notified Area, Shri. P. G. Muddammayya, the Ponnampet Parpathigar and Sub-Divisional Officer, Virajpet, the Section Officer, M.I.D., were all present on the first day and gave very valuable suggestions and guidance to the boys for the improvement of the quality of work.

On the 11th instant, about 25 villagers from Chikkamundoor and a few others from Mugutageri village joined the boys in their work. Shri. Malchira A Pooviah, and Shri. N.N. Pooviah, presented packets of sweets to the boys.

Capt. Durairaj, O.C., Coorg Ind. Coy., NCC, padd a visit to the camp on the 6th instant, at 4 P.M. The Headmaster accompanied him the entire length of the reconditioned road. The Officer appreciated the work of the boys, and made enquiries with some parents whom he met on the way to know if they liked their boys working in camps like this. The parents were much pleased with their boys' work and liked it too. The Captain presented chow-chow packets to the boys after his inspection of the work.

On the 9th instant, at 9.30 A.M. Shri. N.N.Pooviah, Social Education Organiser, paid a visit to the camp and made a note of the work done by the boys till then. He gave the boys valuable suggestions with regard to their work and in several instances, demonstrated how the work was to be done.

Later in the evening, on the same day, Shri. Mukkatira Bollappa Congress Organiser, visited every batch and observed their work.

On the 9th instant, the Development Commissioner, and the Minor Irrigation Officer inspected the road and remarked

.....

With reference to your letter No. 9827/54, dated the 8th November 1954, I beg to enclose herewith a statement showing the details of social work done by the students of this High School. In this connection I beg to state that we engaged 400 students on social work for reconditioning the Ethukadu Napoklu road for 4 days. We made them work for two hours in the morning and two hours in the afternoon. We put 18 teachers to supervise their work.

The studonts cleaned and deepened the drains, cut Irish drains across the road, filled the ruts on the road making the surface of the road barrel-shaped and cut the over hangings and the rank vegetation on either side of the road.

The Minister for Law and Order, the Community Project Officer, the State Educational Officer and the National Cadet Corps Staff Officer, 2 Major Moloni and Captain DoraiRaj have seen the work done by the students and have appreciated their work.

Though we were ordered to carry on the work for eight days, we got the work done in four days with double the number of students originally proposed, in order to save time for class room teaching. More over, as we had to send more teachers to supervise the work by the students, than required for class room teaching, we found it better to finish the work in the shortest time with all the available students and teachers.

that the work done so far was quite satisfactory.

On the 12th instant the Chief Commissioner drove the whole length of the repaired road, and inspected it in the company of Shri. K. C. Karumbaya, M.P., Dr. P.M.Nanamayya M.L.A., the Parpathigar, Ponnampet, the National Extension Service Officer, and others.

On the 11th instant, the villagers of Chikkamundoor arranged for a tea to the students and staff who were working in the camp at 3-30 P.M. Shri. K. C. Karumbayya M.P., and Shri. K. K. Ganapathi, M.L.A., were also present on the occasion. Both these gentlemen and the Headmaster spoke on the importance and significance of such camps and their usefulness, and thanked the villagers for their co-operation. Earlier, Shri. M. M. Deviah, of Chikkamundoor village welcomed the gathering on behalf of the villagers.

The daily attendance of the camp was as follows:-

Date.	Boys	Teachers	Total
3-11-54	183	10	193
4-11-54	179	10	189
5-11-54	176	10	186
6-11-54	169	10	179
8-11-54	171	10	181
9-11-54	171	10	181
10-11-54	163	10	173
11-11-54	160	10	170
12-11-54	164	10	174

The boys discharged their work with great cheer and were quite disciplined in their work. The work turned out by them, I am sure, will be helpful to the people who use that road.

The Social service work programme has rich potentialities and is capable of building up a tremendous reservoir of labour in about 10 years. It has inculcated in the boys habits of hard work, dignity of labour and love of the country.

****

GOVERNMENT HIGH SCHOOL, VIRAJPET.

REPORT ON THE YOUTH CAMP AND LABOUR SERVICE BY STUDENTS.

In obedience to Government Order 250 students and 12 Teachers of this school undertook reconditioning of the Virajpet - Kadanoor road - a distance of about 4 miles including the two branch roads. The road was widened and levelled throughout, branches of trees overhanging the road were cut and proper drainage was cut. The Sub-Divisional Officer, C.P.W.D., Virajpet, was consulted before and during work. The work has been completed to the entire satisfaction of the villagers and the distinguished visitors.

The bright feature of the camp was that midday meal was cooked by the pupils themselves under the able supervision of two teachers. Food was served well in time and menu was being changed from day to day. Pupils and teachers, sinking the differences of caste, community and creed, part-took of their meal together. Refreshment in the evening was served by a local contractor.

A First Aid Unit was kept in readiness to render medical aid. Tepid water was supplied to the pupils. Kitchen and its premises was cleaned daily.

We are happy to report that the villagers extended their hand of co-operation in this great venture to the best of their ability. They had put up a small pendal for kitchen, lent vessels for cooking and placed the services of their mazdoors at our disposal. Sri. P. A. Somaiah entertained us the first day with sumptuous refreshment and the members of the Palecanda Family gave a grand Tea on the last day of the camp.

At the end of the Camp there was a performance of cycl feats, music and other entertainments by the students. The Villagers bid a hearty farewell in token of appreciation of the very fine work turned out by the pupils.

We will be failing in our duty if we do not record the spontaneous and ready help rendered by the members of the Palecanda family.

Copy of letter dated 11th October 1954, from the Head-Master, Srimangalanad High School, T. Shettigeri, to the State Educational Officer, Coorg.

.....

SUBJECT:- SOCIAL SERVICE BY THE STUDENTS.

....

On 8-10-54, I wrote to you stating that your letter No. 8288/54, dated the 22nd September 1954, was not received at this office. Immediately, I got into touch with our neighbouring High School, Government High School, Ponnampet and learnt from the Headmaster of that school that Shettigeri Tea Estate Marenad Road was assigned to our school for repairs in the last week of October 1954. I also learn that they have to work there residing in camps for eight days

Now during the Gandhi Jayanthi Week our students engaged themselves in ~~xxxxx~~ three batches of 30 each on the 5th, 6th and 7th instants. In the work of repairing the Shettigeri Harihara Road, Shettigeri Nalkeri Road, and the Shettigeri Tea Estate Road. Each batch was supervised by a teacher of the High School.

The batch that worked in the Shettigeri Tea Estate Road Completed the repairing work up to the suspension bridge. However, in the evening of the 7th instant torrential rains poured for about 40 minutes, and we had in this locality about 1½ inches of rain. As a result of this heavy rain the repaired road was again damaged at several places, and the work has to be redone in those places.

We now intend executing the work assigned to us by you and a batch of 52 boys will work in this road for 8 days in last part of this month. To meet the feeding expenses of the students a sum of Rs. 416/- (52 x 8) may be required, which please be good enough to sanction.

.....

Copy of letter dated 25th November 1954, from the Vice President, Srimangaland High School, T. Shettigeri, to the Chief Secretary to the Government of Coorg.

.....

I am herewith submitting a bill for the Social work turned out by our students, as per the Chief Secretary's order No. A. 6. 12616/D.Dis.166/54, dated the 27th October 1954, The bill may be passed and necessary arrangements may kindly be made for early encashment. The report on the work turned out by the students was already sent by the Head master of the High School on the 18th November 1954.

SUBJECT:- REPORT OF THE SOCIAL WORK AND CAMP DURING 1-11-54 TO 10-11-54.

.....

Reference - Chief Secretary's letter No. 13759/D.Dis. 166/54, dated 15th October 1954.

.....

The reconditioning of the Kaikeri- Kalathmad road was allotted to the students of the school for their Social Work in the above mentioned letter. Work was begun as scheduled on 1st November 1954. Due to certain inconvenience the camp had to be started only on the next day. The camp lif was a new experience to some of the youngsters. Yet, each and every young face was gay with enthusiasm and pleasure at the thought of x tasting the pleasantness of corporate life with all their friends.

For the camp period a daily Time-Table was drawn as follows:-

Rouse	6 a.m.
Physical jerks	7 - 7.15 a.m.
Breakfast	7.30 a.m.
Starting the day's work	8.30 a.m.
Drinks to be served	10.30 a.m.
Back to the camp	12.30 p.m.
Dinner	1 p.m.
Starting the work again	2 p.m.
Return to the camp	4.30 p.m.
Supper	7.30 p.m.
Entertainments	8.9 p.m.
Retiring	9 a.m.

Hathur being a village, seven miles away from Virajpet and as all the provisions had to be brought from there, the difficulties and inconveniences incurred by the staff to make the camp life flow smoothly cannot be exaggerated. Most of our needs had to come from the town.

As we camped at our school, all students were acquainted with the surroundings and we had no difficulty what-so-ever which often accompanies the novelty of the camp site. For their ablution and bath they had to go to a river let flowing a furlong away from the camp as it was not possible to make arrangements for the same in the camp due to scarcity of water.

Every days work was aptly begun regularly as per to the programme of the Time-table drawn. Daily everyone was up against all odds and marched in an orderly way to the workspot with billhooks and spades stop their shoulders to reveal the dignity concealed in the labour they did. The first spell of the encouragement came from Sri.N.G. Uthayya, the Subedar of South Coorg, who visited the spot on the first day just after an hour we started the work. He encouraged the students and visited the spot time and again. Sri. Krishnamoorthy, the Deputy Inspector of Schools too visited the spot once and he encouraged the students by speaking very high of the work that they did. We concentrated on the quality of the work and all the praise was well deserved by our boys.

As the boys worked for the world at large, the girls cooked for them with the help of one or two boys and helped us to keep up the programme of the day.

To give more scope for studies for the students of VI form students were sent home at night for three days and classes were held for an hour and a half daily after lunch.

.....

Fighting against the odds and ignoring little defects and difficulties the camp life was carried on from 1st November 1954 to 10th November 1954, with a break of two days during Saturday and Sunday. Refreshed after the break they returned cheerfully on Monday students worked earnestly till Wednesday.

The length of the road covered by digging drains on either sides and Irish drains here and there across the road was about seven furlongs with an average of about sixty five boys working at it. The students worked as one and began to love the work and love each other too.

During the camp a chance for the boys was given to exhibit their juvenile talents by giving them a recreation time between 8 p.m. and 9 p.m. daily and by holding a camp fire on 9th November 1954. To make the camp life more lively a musical performance was arranged on 8th November 1954.

It may be said that the aim of camp life explained by us has sunk deep into the hearts of the students and has been achieved by them during the eight days of corporate life, where their behaviour was good.

A resume of the day to day work has been given in the attached sheet.

.....

A RESUME OF THE WORK.

Sl. No. of days worked.	Date	No. of hours worked	No. of persons who worked			Length of the road covered up	Names of visitors To the camp.	Names of visitors To the work spot	Extra work if any.	Help given by villagers if any.

REPORT OF THE SOCIAL WORK DONE BY THE STAFF AND STUDENTS OF ST. ANNE'S HIGH SCHOOL FROM THE IST OF NOVEMBER TO THE 9TH NOVEMBER 1954.

.....

At the reception of the information from the Government for the commencement of Social work for a week, starting from the first of November, the attention of the staff and students of St. Anne's High School was drawn towards the Harijan colonies of the town and of those lying in the vicinity of it.

A programme for work was drawn, The students were divided into six groups, each headed by staff members, who all worked spiritedly for one full week.

The first Harijan colony, that was a victim to our spades and pick axes was, the ' Shiva Keri'. The students toiled there for four days during the course of which the following works were duly accomplished.

i) The road leading to the colony from the main road was repaired.
ii) A foot path was constructed on the right side of the colony.
iii) The whole Harijan colony was cleaned constructing proper drainages for outleting the water.
iv) A bund was constructed for the prevention of water from rushing down.
v) The levelling of the place was done at the cost of much mud which was got by the cutting down of two hillocks.

On the 5th and 6th of November the students went to 'Madi Keri' (Madigare Keri) which lies in the heart of the town. They did the following work.

i) Roads were repaired and cleaned.
ii) A manure pit 20' by 3' by 6' was constructed.
iii) The surroundings were cleaned.
iv) Three drains were constructed and the existing drains were cleaned.

On the 8th and 9th the children went to the Maggula village which is about a mile and a half from the town. The following are the works that were completed by the students, in the Maggular Harijan colony.

1) The existing road was repaired.
ii) A bund about 20' long and 1½' to 2' broad was constructed for the prevention of water from flowing down.
iii) A drain was turned into a footpath for the convenience of the people of the village.

Unlike the other harijan colonies, the Maggula Harijan colony was neat and clean; and the inhabitants of the village, wholeheartedly cooperated in doing the above mentioned works.

The cooking of the meals was undertaken by some of the teachers and students.

The conclusion of the social work was marked by a camp fire, in the Maggula village. An elderly person of the village was made the President of the function. The representatives denoting the five branches of knowledge, i.e. character, descipline, health, education, love and entertainments, lit the fire. The students exhibited

exhibited their dramatic talents by enacting small yet entertaining items which were well appreciated by the onlookers, the inhabitants of the Village, who were nearly more than three hundred.
we ended the function a sppech was delivered by Mr. Ananda Rao, B.Sc., on Social work and gave the people of Maggula, hopes of making their place a model village in Virajpet.

We were indeed lucky to have been visited by the Chief Minister during our Social work in the 'Shiva Keri'. He was good enough to advise the people of the Village to keep their surroundings clean and tidy always, as they were during his vist, He encouraged the students, in their work, by giving them monetary help to buy sweets. This was greatly appreciated by the students.

The total number of students who were engaged in the Social work for the duration of eight days as shown by the detailed report enclosed herewith separately is 1028.

MOST IMMEDIATE.

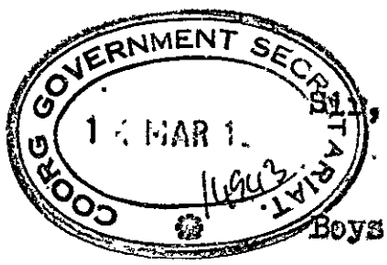
No. 4639 Coorg Assistant Commissioner's Office,
Mercara, dated the 16th March, 1955.

From

The Assistant Commissioner of Coorg,
M E R C A R A.

To

The Superintending Engineer,
Planning Division, Virajpet.



It has practically been decided that 300 A.C.C. Boys from the High Schools in Coorg should camp at Bhagamandla and take up the work of opening a road from Bhagamandala to - Tala Cauvery. The work would be taken up from the 26th March 1955 and will continue till 8th April, 1955. It is, therefore necessary that the new alignment is got approved by the State Government, at least by the 20th, so that on the 21st, it - should be handed over to the person in-charge of the camp. I hope you will kindly expedite the matter and see that the proposal is sanctioned by the Government within the time specified above.

During the period the boys would be working; it - would be necessary to have at least two technical persons to supervise the work. I suggest that one of the persons responsible for laying the alignment may kindly be allowed to supervise the work along with the local Section Officer, - under Minor Irrigation Department. If you agree with me, please issue necessary instructions to the Sub-ordinates directly under your control to supervise the operations and also to the Irrigation Officer to direct the Section Officer, Bhagamandala to look after the work.

A line in reply as the action taken is very much appreciated.

Assistant Commissioner.

Copy to the Chief Secretar, Government of Coorg, for information.

Miss S. J. Narsian,
Assistant Educational Adviser to the Government of India.

To

The Chief Secretary to the Government of Coorg,
Government of Coorg,
Mercara.

Sub: Youth Camps and Labour Service by students.

Sir,

I am directed to refer to your letter No.A.6/18212/D.Dis. 166/54, dated 25.1.55 and to state that the President has been pleased to accord ex-post-facto sanction to the grant of Rs.10803/- (Rupees Ten thousand eight hundred and three only) incurred on Youth Camps held in the State from 1.11.54 to 8.11.54, in which about 1350 students participated. It may be noted that the minimum duration of a Camp is 2 weeks and in future no grant will be sanctioned if this condition is not fulfilled.

2. It is requested that three copies of the statement of audited accounts of the expenditure incurred on the above camps duly countersigned may be submitted immediately together with two copies of the report of work done on the enclosed proforma. The utilization certificate on the prescribed form (specimen enclosed) should also be forwarded to this Ministry.

3. The amount is debitable to Demand No.20-Education-D.General D.1(2)(3)(2)-Lump Provision for schemes under consideration-Provision for Labour and social service by students for 1954-55.

4. The letter regarding re-appropriating the sanctioned amount will be issued separately.

5. The above sanction has the concurrence of the Ministry of Finance vide u.o.No.2393 EG(III)(Education)/55 dated 3.3.55.

By-O.

Yours faithfully,

S. Narsian

2. All Vice-Chancellors of the Indian Universities (with 12 spare copies)

COORG GOVERNMENT SECRETARIAT 13 MAY 1955

SUBJECT: LABOUR & SOCIAL SERVICE CAMPS 1955-56.

Sir,

The Government of India have noted with particular satisfaction the response of the Universities/State Governments and recognised Private Organisations which have come forward to organise Labour and Social Service Camps in the various States. In the course of 10 months since the scheme was launched 404 camps have been conducted through out the country in which about 40,000 youths have participated. With a larger number of applications pouring in during the current financial year it is anticipated that many more camps will be held in which students will be engaged in varied types of manual activities.

2. It has however, been observed that in their enthusiasm, an institution or organisation occasionally sends in their proposals through more than one agencies, thereby causing a great deal of confusion. To give an illustration, certain schools and colleges in the Bombay State have submitted their applications for holding Youth Camps during the summer vacations through the Bombay State Government as well as Bharat Sevak Samaj. But for the vigilance exercised in the Ministry, such applications would have been dealt with twice and separate grants would have been given for one camp, and this would have been highly irregular. It is, therefore, requested that each institution should send in only one application through one agency, giving full details, such as, number of campers duration of Camps, work to be undertaken, extent of local cooperation secured, arrangements made for supervision and administration of the

(P.T.O.)

camp, in order to enable the Government to handle the cases with speed and efficiency. All applications for grants should reach the Ministry at least one month in advance of the beginning of a camp.

3. At present grants are made to the Universities, State Governments and recognised voluntary All India Organisations such as Bharat Sevak Samaj, Bharat Scouts and Guides etc. No delay accure in sanctioning grants, whether the requests are received through the Universities, State Governments or recognised voluntary organisations. All cases are dealt with expeditously, as the Government are fully aware of the important time factor which determines the success of camps.

4. This note is therefore being sent to all the agencies with the request that they should assist the Government in the execution of their duties by avoiding all duplication of work. The rate of payment for Labour & Social Service Camps is reduced from 2/- to 1/12/- for food and incidentals and railway fare at students concession rate or actual bus fare.

Yours faithfully,

S. Narsian

(S.J. NARSIAN)
Assistant Educational Adviser
for Additional Secretary.
